Save the Date: Mayor Susan Sample's State of the City Address

WEST UNIVERSITY PLACE, TX – Mayor Susan Sample will deliver her State of the City address before an audience of residents and community leaders on Wednesday, January 31. The address will be held at the Community Building located at 6104 Auden St. and will begin promptly at 6 p.m.

"As we reflect on the history of our city and celebrate its centennial anniversary, I am excited to share with everyone the accomplishments we made in 2023," said Mayor Sample. "It will be a great opportunity for residents to gain a better understanding of the hard work that goes into making our city one of the best places to live." Moreover, Mayor Sample plans to highlight the projects and initiatives set in motion by the current City Council.

This year's address promises to be particularly insightful, as Mayor Sample reports on matters related to the Facilities Master Plan, investment plans in software, as well as operational considerations.

Members of the media, local organizations, and the public are encouraged to attend the State of the City Address. City Council members and city staff will be available before and after the presentation to answer questions and engage with attendees about the exciting projects happening in West U.
