**Save the Date: Mayor's State of the City Address**

WEST UNIVERSITY PLACE, TX – Mayor Susan Sample will deliver her State of the City address before an audience of residents and community leaders at 6 p.m. on Wednesday, January 29 at the Community Building located at 6104 Auden St.

"2024 has been an exciting, busy, and challenging year for our city. Celebrating the historic centennial milestone, moving forward with our Facilities Master Plan, and persevering through the aftermath of Hurricane Beryl is only a glance of what this Council and staff were up to this year," said Mayor Sample. "The State of the City address is a great opportunity to highlight those achievements as well as future projects and initiatives, and all that goes into making West U one of best places to live," she continued.

This year's address is expected to be particularly insightful, as Mayor Sample's highlights will include the Facilities Master Plan and critical infrastructure investments, as well as long-range capital improvement plans.

Members of the media, local organizations, and the public are encouraged to attend the State of the City Address. City Council members and city staff will be available before and after the presentation to answer questions and engage with attendees about the exciting projects happening in West U.
