West University Place to Begin Accepting Applications for Boards and Commissions Volunteers

WEST UNIVERSITY PLACE, TX - The City of West University Place will begin accepting applications for volunteers to serve on its various boards and commissions starting on August 18. The deadline to submit an application is September 26. Shortly after applications close, applicants will be contacted for an interview with the City Council. Selected applicants will begin service on November 1 and will serve a 2-year term that will expire on October 31, 2027.

Board and commission members work directly with city staff in an advisory capacity, examining in-depth issues such as park usage, planning, and zoning, and providing recommendations for the City Council.

More information, including a summary of responsibilities for each board and commission, as well as meeting dates/times, can be found on the City's website at www.westutx.gov/boards.
